We are concluding the Pauline Year begun by Benedict XVI a year ago asking faithful Catholics to observe the year in order to rediscover the importance of St. Paul in the formation of the Church and in the life of Christians.

Our Quiet Day revolve around praying some of the Offices and the celebration of the Eucharist. There will also be two addresses, the first of which will examine one of Paul's letters and see how it speaks to us today. The other address will feature what Paul has taught us about "that more excellent way."

There will be ample time to pray and meditate to refresh one's soul by praying before the Blessed Sacrament or in the quiet beauty of the garden.

Remember we refresh our souls in order to do the Lord's work.

"Being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us" (I Thess. 2. 8).

Please bring your bible, you will need it.
