Eternal Rest: Parish Lenten Retreat Saturday March 29 11:30-4:00pm

We all have very real questions about death. What happens when we die? What does Scripture teach about death? How do we prepare for the life to come? "Eternal Rest" examines the origin of death, the afterlife, and the powerful reality around the sacrament that ushers us into eternal life. "Eternal Rest" presents the Catholic Church's teaching about death and God's response to it with wisdom and truth, gentleness and compassion, so we can think about and prepare for death in the light of Jesus Christ, the Author of life.

RSVP via email adultff@staugustienoh.org, phone 360.675.2303. Purchase of the *Eternal Rest Study Guide* is recommended but not required. Visit: <https://catholic.market/>

Tips & Etiquette

The three traditional pillars of Lent are prayer, ***fasting***, and almsgiving.

- ⌘ Use up all of the food you have stockpiled before buying more
- ⌘ Use what you have/don't buy anything new
- ⌘ Give up video games, television/movies, social media, or the news
- ⌘ Try one or more of the Rice Bowl recipes
- ⌘ Drive to work/school in silence
- ⌘ Wake up 15 minutes early to pray
- ⌘ Pack your lunch instead of going out to eat
- ⌘ Turn the temperature down in your home (or in the shower)

Prayer for Vocations

Heavenly Father, we ask that You strengthen the spirit of self-giving in our priests. May they freely offer themselves in Your service for the betterment of Your people. Help them to embrace poverty of spirit by sharing in the sacrificial love of Your Son. May their generosity inspire others to give of themselves for the sake of the Gospel. Through Jesus Christ our Lord, *Amen*

***A Glimpse Inside™* exists to highlight the humanity of the unborn...**

A Glimpse Inside™ is a groundbreaking education program that empowers young people to understand one of the most pressing questions of our time: when does life begin? This program uses physician-led videos on fetal development, guided 3D/4D ultrasounds, and a thought-provoking curriculum to provide scientific evidence of life in the womb and address tough ethical questions. Created in collaboration with the Sophia Institute for Teachers and Cardinal Studios, AGI makes the pro-life message simple to understand and easy to teach.

AGI™ offers middle school, high school, and college students the unique opportunity to see the earliest stages of human development through stunning videos and uses classroom activities and facilitator-led peer discussion to shape this next generation's ethical values.

Retreat Testimonials:

Teen:

"The baby's heart starts beating at 4 weeks"

"We are not the giver and taker of life. We all have options, think of your actions before acting on them, so you don't have to deal with the consequences."

"I learned about how baby's no matter what even if they aren't out of the womb yet they still have a soul and deserve a chance."

"I learned that doctors are using non-pregnancy-infection cures to save a baby and a mother."

"This retreat has really changed my perspective about abortion. I used to be pro-abortion but this here has really changed my mind."

"I learned the better meaning of how abortion may be wrong."

"I learned that a human life is very precious, and how amazing it is for them to grow. I also learned how abortion is never the answer to a problem. Everyone is unique."

"I learned more about the development of a baby than in my health class."

"They grow faster than us."

Parents:

"A big thank you to our presenters – Mike & Barb Thelen, Rich Janoe, Mary Waters, & Rowena Harless. Great team at St Augustine parish."

"John Manni & Kaylen Barajas were phenomenal."

"Great and informative presentations. Very timely and appropriate for us parents with teenagers. We hope "A Glimpse" will be presented in the next years. I personally recommend the presentation. It's a good mix of science and religion. My takeaway is that we are all created with purpose. To be loved, to love, and be a blessing. Thank you!"

"Informative. Recommended. Changed my perspective on the topic, "What if I am not ready to have a baby" to be specific."

"Good talk, learned so much for the speakers & guests. I recommend it."

"This is a great informative retreat for both parents and kids. Will recommend to all teenagers."

"Outstanding science and religion. Great job to all presenters."

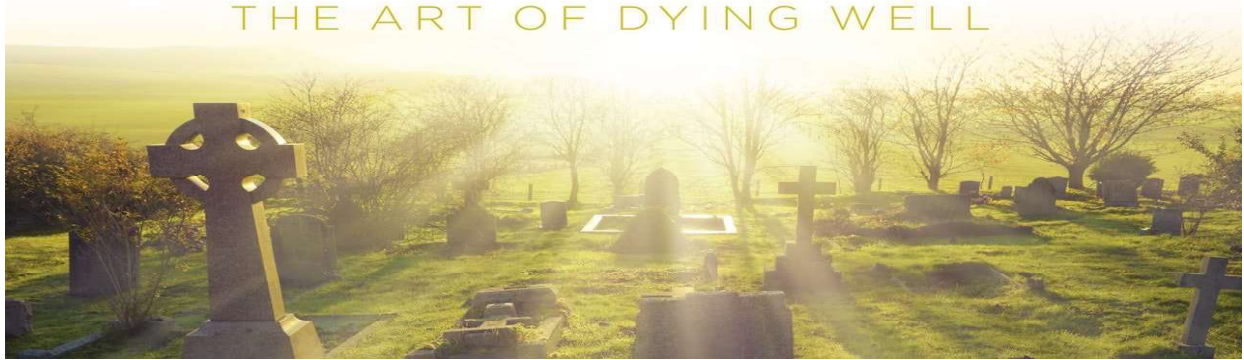

"Totally awesome! Perfect idea to present to the adults what the kids are seeing. We are often in the dark. This enables great discussion. Many people think of the baby in the early stages of pregnancy as a blob. To see is to believe."

"Excellent information presented. Catholic perspective was a refreshing reminder. Discussion opportunity invaluable to solidifying the information, rational and faith foundation. Music was a great gathering introduction. Thank you for organizing this presentation and spreading the word."
